We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SMC CREDITS LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

We report that:-

- a) Maintenance of secretarial records are the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b) We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed, provide a reasonable basis for our opinion.
- c) We have not verified the correctness and appropriateness of the financial statements of the Company.
- d) Wherever required, we have obtained the management representation about the compliances of laws, rules and regulations and happening of events etc.
- e) The compliance of the provisions of the corporate and other applicable laws, rules, regulations, standards etc. are the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
- f) The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information(s) provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025 ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC REVIEW GLOBAL ECONOMY

Financial Year 2024-25 commenced amid heightened geopolitical tensions, persistent inflationary pressures and ongoing supply chain disruptions. Notably, the prolonged Russia-Ukraine conflict and unrest in the Middle East have weighed heavily on global economic sentiment. Compounding these issues, a sharp escalation in trade disputes has further hindered cross-border economic activity. And while the United States of America experienced robust growth, most other advanced economies did not. Additionally, many economies faced currency depreciation, posing potential disruptions, particularly for developing nations.

According to the International Monetary Fund (IMF), Global growth is projected at 3.3 percent both in 2025 and 2026. Meanwhile, inflation is expected to fall to 4.2% in 2025 (vs. 5.5% in 2024) and to 3.5% in 2026.

World Economic Outlook Growth Projections

Particulars	2024	2025	2026
World	3.2%	3.3%	3.3%
Advanced Economies	1.7%	1.6%	1.8%
India	6.5%	6.5%	6.5%
Emerging market and Developing Economies	4.2%	4.2%	4.3%

FINANCIAL SERVICES - NBFC SECTOR

Non-banking financial companies (NBFCs) have been playing an increasingly important role in meeting the credit needs of the economy by extending the last mile of credit to hitherto unbanked areas and providing niche financing to various sectors ranging from real estate and infrastructure to agriculture and micro loans. NBFCs bring more borrowers to formal financial institutional network, enhancing the reach of the credit channel of monetary transmission.

The Non-Banking Financial Companies (NBFCs) in India have been integral to the country's economic development, offering financial services and complementing the banking sector in reaching out to the unbanked segments of society. NBFCs cater to the diverse needs of the borrowers in an efficient manner, considering geographical scope and understanding of various financial requirements of the borrowers. The last few years have transformed the Indian financial services landscape.

The sector has leveraged digitization to offer alternative financing options, especially to the MMEs and retail borrowers, who face challenges in obtaining loans from traditional banks. Demand for credit is likely to remain strong in India, especially among micro, small and medium

enterprises (MSMEs) and start-ups. The Government of India has introduced a series of reforms and initiatives to bolster the MSME industrial credit sector. These reforms include the Pradhan Mantri Mudra Yojana (PMMY), Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE), various digitisation initiatives for easier business registration, CINBEC and National Infrastructure Pipeline under the Gati Shakti programme.

INDIAN ECONOMIC OVERVIEW

The global economic activity has remained resilient in 2024 although below historical averages, with high frequency indicators hinting at slowdown in growth momentum in 2025. Escalating trade tensions and by a slew of tariff impositions, import uncertainty to the growth narrative. Headline inflation though decelerating, has remained above the target in many economies owing to the lacklustre and uneven pace of inflation. And the financial markets have been on edge due to shifting expectations of monetary policy and fears of tariff wars. Geopolitical uncertainties, ratcheting up of trade tensions and withdrawal of portfolio investors caused retreat to equities from the highs in January 2025. The sell-off further intensified since March due to fears of trade war.

According to the second-advance estimates (SAE) released by the national statistical office (NSO) estimated real gross domestic product (GDP) growth at 6.5 per cent year-on-year (y-o-y) in 2024-25 on the back of robust growth in private final consumption expenditure. Domestically, real GDP registered a growth of 6.7 per cent, y-o-y. In Q1 2024-25, mainly driven by private consumption and investment. However Real GDP growth for 2024-25 was projected at 7.2 per cent.

OUTLOOK

Domestic economic activity remains strong supported by revival in consumption as well as government's capex push. Pick up in private consumption, upturn in agricultural activity, continuing resilience of the services sector, high capacity utilisation, healthy balance sheets of banks and corporates, and government's continued thrust on capital expenditure augur well for the growth outlook. Taking into account the baseline assumptions, survey indicators and model forecasts, real GDP growth is expected at 6.5 per cent in 2025-26 – 6.5 per cent in Q1, 6.7 per cent in Q2, 6.6 per cent in Q3 and 6.5 per cent in Q4 – with India evenly balanced around the broad path. Assuming a normal monsoon and no major exogenous or policy shock, structural model estimates for 2026-27 indicate real GDP growth at 6.7 per cent, with Q1 at 6.5 per cent, Q2 at 6.4 per cent, Q3 at 6.6 per cent and Q4 at 6.8 per cent.

Domestic economic activity is on a recovery path and is expected to remain well backed by reconsolidation economy. It needs to be acknowledged that India's future is in high growth potential yet robust macroeconomic fundamentals. Government's push for consumption and capex, resilient services sector, robust outlook of agricultural sector aided by strong corporate and bank balance sheets provide impetus to the growth momentum going forward. The measures announced in the Union Budget 2025-26 augur well for improving domestic consumption. Moreover, the astute na-

to fiscal consolidation and debt path without compromising on the quality of expenditure will help in improving sovereign ratings, attracting capital inflows, easing financial conditions, and improving overall sentiment and outlook. Well-coordinated fiscal and monetary policy working in tandem could undoubtedly generate improved outcomes in terms of better growth-inflation balance. The recent tariff announcements by US administration have heightened policy uncertainty posing new headwinds for global growth and inflation. While India cannot remain immune to these developments, the progress achieved on the disinflation front gives headroom to monetary policy to focus on balancing the growth-inflation outcome.

INDUSTRY STRUCTURE AND DEVELOPMENTS

INDUSTRY INSIGHTS:

Non-banking financial companies (NBFCs) are used to enhance the mainstream banking system in the financial intermediation process and financial inclusion. NBFCs play a significant role in promoting inclusive growth by providing financial services to the less-banked customers as well as unorganized sector such as the micro, small and medium enterprises (MSMEs) through efficiency and diversity. Since a large chunk of India's population did not even have bank accounts a decade ago, the government has been encouraging financial inclusion. And one of the vital components of financial inclusion is adequate access to credit, which has created enormous prospects for the NBFC sector. This is a key factor that many NBFCs have been constantly focusing on improving their services through diversified offerings, technology adoption, strategic partnership, robust operational model, and regulatory compliance.

DIVERSIFIED OFFERINGS:

NBFCs offer a wide range of financial products and services including personal loans, commercial vehicle finance, housing loans, infrastructure finance, gold loans, microfinance, money transfer, insurance, education funding, and many more customized finance solutions. Their strong focus on the unorganized and under-served population of the economy, helped them to create a niche market for themselves by identifying the needs of targeted customer segment.

ROBUST OPERATIONAL MODEL AND REGULATORY COMPLIANCE:

Since NBFCs are focusing on lending to the unorganized segment, a robust risk management strategy is critical for short-term as well as long term business sustainability. Even though technology has offered significant benefits in terms of operational efficiency, customer experience and cost savings, it's crucial to implement strategies to manage various risks such as credit risk, liquidity risk, operational risk and interest rate risk. Additionally, NBFCs need to comply with the regulatory policies based on their targeted segment and geographical location of operation.

NBFCs have become important constituents of the financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. Sequential easing of spread of NBFCs debentures over the corresponding G-sec yield along with increased retail

participation in the NBFC debenture market augured well for the market and public perception regarding the sector. The retail sector benefitted from incremental credit disbursed by the sector, aided by their low GNPA ratios and by staying tuned to customer preferences.

The profitability of the NBFCs improved compared to the corresponding quarter of the previous year on account of steeper fall in expenditure than in income. Given the persistence of infections, the full effects of the lockdown and suspension of business on the asset quality of NBFCs will be evident gradually.

SEEKING LONG-TERM GROWTH OPPORTUNITIES

Non-Banking Financial Companies (NBFCs) have contributed towards the development of the country's infrastructure. The availability of long-term funding by non-bank lenders has helped in the financial closure and growth of many large-scale infrastructural projects. Non-Banking Financial Companies (NBFCs) have played a crucial role in fostering credit expansion across a range of industries, including microfinance loans, personal loans, and auto finance loans.

The digital transformation journey of NBFCs in India indicates the sector's adaptability and resilience. Historically characterised by manual processes and face-to-face interactions, the industry is now at the forefront of embracing digital innovations. This transition has been propelled by several factors, including regulatory support from the Reserve Bank of India (RBI). Looking ahead, the NBFC sector in India is poised for continued growth driven by several factors. NBFCs have the opportunity to facilitate the flow of credit to both businesses and households. The government's commitment to financial inclusion is expected to contribute to sustained demand for NBFC Services.

CAPITAL MANAGEMENT

While adhering to the guidelines laid down by the RBI from time to time, the Company works towards maximising the returns on capital employed through an efficient capital management strategy.

SWOT ANALYSIS:-

Strengths:

- Simplified and prompt loan request appraisals and disbursements.
- Innovative resource mobilisation techniques and prudent fund management practices.

Weakness

- Regulatory restrictions – continuously evolving government regulations may impact operations.
- Uncertain economic and political environment.

Opportunities

- Use of digital solutions for business/collections.

Threats

- High-cost of funds;
- Rising Non-Performing Assets (NPAs);
- Restrictions on deposit-taking NBFCs;
- Competition from other NBFCs and banks.

RISKS AND CONCERNs

SMC Credits Limited has maintained constant vigilance over both external environments and internal risks, ensuring it remains well-prepared with effective risk mitigation measures to address potential threats. This proactive approach allows the Company to capitalise on opportunities arising from various events and effectively navigate challenges posed by potential threats. Some of the identified risks and concerns include:

1. A slowdown in the global and Indian economy, potentially triggered by escalating geopolitical tensions
2. The persistent rise in interest rates as central banks respond to current inflationary pressures in the economy
3. A potential slowdown in the real estate sector, which could impact collections and loan book growth within the Wholesale lending vertical
4. The possibility of facing challenges in raising funds at competitive borrowing costs, which may have an impact on the company's overall profitability and growth
5. Execution risks associated with the Company's emerging business vertical, specifically SME Retail & its newly launched unsecured loan product - Fabricator Loan

By closely monitoring these factors, SMC Credits Limited has endeavours to proactively address and mitigate potential risks while seizing opportunities for sustainable growth and maintaining a robust financial position.

INDEPENDENT AUDITOR'S REPORT

To the Members of SMC CREDITS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of SMC CREDITS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements gives the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and profit/(loss) (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 243B(1) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with those requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated:

S.No.	Key Audit Matter	Auditor's Response
1.	Impairment of Loan Assets The company has outstanding loan asset to corporates under its NBFC business. The company has classified such loan asset as standard asset and sub-standard asset and provision thereof as per the RBI Prudential Norms on Asset Classification.	Our procedure includes: Review of loan agreements and management representation on the recoverability of these loans. Our Results: We did not find any material risk in the recoverability of the loans.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that

give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAS, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for the resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(f) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report; however, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report, unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in

our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure – A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. A. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statement complies with the Indian Accounting Standards specified in section 233 of the Act;
 - e. On the basis of the written representations received from the directors as on 31 March 2025, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure – B".
- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 13 of the Companies (Audit and Auditors) Rules, 2024, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - b. The Company did not have any long term contracts, including derivative contracts, for which there were any material foreseeable losses.

- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- c. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- e. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- f. The reporting under Rule 11(6) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination, which included test checks, we observe that the company has used accounting software for maintaining its books of account. Although this software has a feature for recording an audit trail (edit log), we found that the audit trail feature was not operating effectively during the reporting period for all relevant transactions recorded in the software. Consequently, we were unable to verify the integrity of the audit trail throughout the year.

3. With respect to the matter to be included in the Auditors' Report under section 197(6):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

ANNEXURE - A

to the independent auditors' report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1) In respect of the Property, plant and equipment of the Company:

- a) i) The company is maintaining proper records, showing full particulars including quantitative details and situation of property, plant and equipment.
 - ii) The Company has no intangible asset and therefore clause (iii)(B) of paragraph 3 of the Order is not applicable.
 - b) All the Fixed Assets have been physically verified by the Management during the year based on a phased program of verifying the assets, which in our opinion is reasonable having regard to the size of the company and the nature of its Fixed Assets. No discrepancy has been noticed on such verification.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, title deeds of immovable properties are held in the name of the Company.
 - d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of-use assets) or intangible assets or both during the year.
 - e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988, and rules made thereunder.
-
- 2) a) In our opinion and according to the information and explanations given to us, the nature of the Company's business/activities during the year has been such that the clause of paragraph 3 of the Order is not applicable to the Company for the year.
 - b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no working capital loan has been taken by the Company. Therefore, reporting under clause (i)(h) of paragraph 3 is not applicable.

- 3) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year, in the ordinary course of its business, the Company has made investments in, provided guarantee / Security in and granted loans and advances in the nature of loans, secured and unsecured, to companies, firms, United liability partnerships and other persons. With respect to such investments, guarantees / security and loans and advances:
- A. The principal business of the Company is to give loans and hence reporting under clause 3(i)(a) of the Order is not applicable;
 - B. According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the guarantees given are, *inter alia*, not prejudicial to the interest of the Company;
 - C. The Company, being a Non-Banking Financial Company (NBFC), registered under provisions of RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly the Income Recognition, Asset Classification and Provisioning Norms, monitors repayments of principal and payment of interest by its customers as stipulated. In our opinion and according to the information and explanations given to us, in respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and payment of interest has been regulated and the repayments/receipts of principal and interest are regular.
 - D. The Company, being a NBFC, registered under provisions of RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly the Income Recognition, Asset Classification and Provisioning Norms, monitors and report total amounts overdue including principal and/or payment of interest by its customers for more than 90 days. In cases where repayment of principal and payment of interest is not received as stipulated, the cognizance thereof is taken by the Company in course of its periodic regulatory reporting.
 - E. The principal business of the Company is to give loans and hence reporting under clause 3(i)(a) of the Order is not applicable.
 - F. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans either repayable on demand or without specifying any terms or period of repayment.

- 6) According to the information and explanations given to us and on the basis of our examination of the records, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities.
- 5) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause (v) of paragraph 3 of the Order is not applicable.
- 6) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 168(1) of the Companies Act, 2013 for the products manufactured by it and/or services provided by it. Accordingly, clause (vi) of paragraph 3 of the Order is not applicable.
- 7) In respect of statutory dues:
- According to the records of the Company, undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and any other material statutory dues have been generally regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2025 for a period of more than six months from the date of becoming payable.
 - According to the information and explanations given to us and on the basis of our examination of the records of the Company did not have dues which have not been deposited as on March 31, 2025, except for the following:

Name of the Statute	Nature of disputed dues	Amount under dispute (INR Lakhs)	Amount paid (INR Lakhs)	Period to which amount relates
Income Tax Act, 1961	Income Tax	23.60	N.E.	FY 2017-18

* amounts of addition in income disapproving in Income tax portal.

- 8) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, we confirm that we have not come across any transactions not recorded in the books of account which have been

currentised or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

- 3) A. In our opinion, the Company has not defaulted in repayment of loans or other borrowings to financial institutions, banks, government and others to debenture holders or in the payment of interest thereon to any lender.
- B. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful default by any bank or financial institution or government or government authority.
 - C. In our opinion and according to the information and explanations given to us, the Company has utilized the money utilised by way of term loans from financial institution during the year for the purposes for which they were obtained, other than temporary pending in current account for a few days, pending utilization towards purpose for which the same are obtained.
- D. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds have been raised on short-term basis by the Company. Accordingly, clause (x)(ii) of paragraph 3 of the Order is not applicable.
- E. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company does not have any subsidiary, associate or joint venture as defined under the Companies Act, 2013. Accordingly, clause (x)(i) of paragraph 3 of the Order is not applicable.
- F. According to the information and explanations given to us and procedures performed by us, we report that the Company does not have any subsidiary. Accordingly, clause (x)(i) of paragraph 3 of the Order is not applicable.
- (D) A. The Company has not raised any monies by way of initial public offer or further public offer (including debt instruments). Accordingly, clause (x)(i) of paragraph 3 of the Order is not applicable.
- B. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly or optionally convertible debentures during the year. Accordingly, clause (x)(i) of paragraph 3 of the Order is not applicable.

- 1.) A. Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- B. According to the information and explanations given to us, no report under subsection (12) of Section 143 of the Companies Act, 2013 has been filed by the auditor in Form ADR-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- C. According to the information and explanations given to us, there were no whistle blower complaints received during the year by the Company.
- 2.) The Company is not a Nidhi Company and hence reporting under clause (iii) of paragraph 3 of the Order is not applicable.
- 3.) In our opinion and according to the information and explanations given to us, the Company's transactions with its related party are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and details of related party transactions have been disclosed in the financial statements etc. as required by the applicable Indian Accounting Standards.
- 4.) A. Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- B. We have taken into consideration the reports of the Internal Auditor received by the Company during the year and provided to us while determining the nature, timing and extent of audit procedures.
- 5.) In our opinion and according to the information and explanations given to us, during the year the company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- 6.) (a) The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and the Company has obtained the required registration.
- (b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid CoR from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 21(e)(c) of the Order is not applicable.

- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any O.C. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- 17) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- 18) There has been a resignation of the earlier statutory auditor during the year, i.e. on 13.11.2024. Further, we have also been appointed on a similar date, i.e. on 13.11.2024, through board resolution, and accordingly, shareholders' approval was taken on 20.01.2025 and ADT 1 was filed on 03.02.2025.
- 19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe, that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (3) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(x)(a) and 3(x)(b) of the Order are not applicable.

ANNEXURE - B

to the independent auditors' report

Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date.

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')
We have audited the internal financial controls over financial reporting of SMC CIRCUITS LIMITED ('the Company') as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an

understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

- 29. Fair values**

The fair value of the financial assets and liabilities is related to the price at which the instrument could be exchanged in a current transaction between willing parties, other than in an active market only.

The management assessed that investments, cash and cash equivalents, trade receivables, short term borrowings, trade payables and short term financial liabilities approximate their carrying amounts largely due to the short term nature of these instruments.

- 30. Financial risk management objectives and policies**

The Company's principal financial risk is the Commodity trade and other products. The main purpose of these financial activities is to finance the Company's operations. The Company's principal financial risks relate to commodity prices and cash equivalents that derive directly from its operations.

The Company is exposed to various financial risk such as market risk, credit risk and liquidity risk. The Company's senior management has assigned the responsibility between the management of these risks to its treasury team. The treasury team assesses the financial risks and takes appropriate action to mitigate these risks. The treasury team provides assurance to the Company's senior management that the Company's financial risk and return are governed by sound risk process and procedures and other financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

All derivative activities for risk management purposes are carried out for specific items that have the explicable risk, exposure and exposures. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.

The Board of Directors review and agrees periodically the managing costs of these risks, which are expressed below:

a. Risk

The term risk implies that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include bonds and derivatives and certain deposits.

The estimates disclosed in the following sections relate to the position at 31 March 2023 and 31 March 2024.

The analysis evaluate the impact of movements in market variables on the carrying values of assets, other non-current assets and other financial assets.

The sensitivity of the relevant assets to these risks & the effect of the assumed changes in relevant market rates. This is stated in the financial assets and financial liabilities held at 31 March 2023 and 31 March 2024.

b. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of its exposure will fluctuate because of changes in interest rates. The Company does not have any obligations with floating rate of interest. Accordingly, the Company is not exposed to interest rate risk.

c. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of its exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (loan receivable & expenses) denominated in a foreign currency. The Company does not have any significant exposure to foreign currency risk as there are no significant foreign currency denominated assets / liabilities.

d. Credit risk

Credit risk is the risk that counterparties will not meet its obligations under a financial instrument or customer contract, failing to acknowledge the Company's exposure to credit risk from its financing activities, including deposits with banks and financial institutions and other financial institutions.

Reference to bank

Credit risk from banking with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and entire credit limit assigned to each counterparty. The funds are set aside as collateral in consideration of risk and therefore mitigate financial loss through counterparty's potential failure or non-payment.

The Company's maximum exposure to credit risk for the component of the balance sheet as at 31 March 2023 and 31 March 2024 is the carrying amount of balances with banks.

e. Liquidity risk

The Company's objective is to maintain a balance between controls of funding and liquidity through the use of long term bank loans, short term borrowings and finance leases etc. The Company has access to sufficient variety of sources of financing and debt maturing within 12 months can be rolled over without creating trouble.

The following summarizes the nature and risk of the Company's financial risk based on various unmeasured parameters.

SMC Credit Limited (the "Company") is a well-established company domiciled in India and incorporated under the provisions of Companies Act, 1956. The Company is primarily engaged in the business of non-banking financial services. The Company's registered office is on 26, Juhu Chambers, 10 Bandra Park, P.O. Box: 110, New Delhi - 110036. Its shares are listed on Bombay stock exchange as in India.

The Company has been recognised as a Non-Banking Financial Company as Investment Company by the Reserve Bank of India (RBI) in terms of the regulations governing Non-Banking Financial Companies and its requirements thereunder.

2. SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

A. BASIS OF PREPARATION OF FINANCIAL STATEMENT

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read together with the Companies (Indian Accounting Standard) Rules, 2015, as amended from time to time, Schedule II of the Act and other relevant provisions of the Act read with the Ind AS guidelines in relation to the extent applicable.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities, which have been measured at fair value:

- (i) fair value through other comprehensive income (FVOCI) movements;
- (ii) derivative financial instruments;
- (iii) other financial assets held for trading;
- (iv) financial assets and liabilities designated as fair value through profit or loss (FVTPL).

The financial statements are presented in Indian Rupees (₹₹), which is also its functional currency and all values are rounded to the nearest rupee in lakhs.

B. PRESENTATION OF FINANCIAL STATEMENTS

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or if the Company has an unconditional legal enforceable right to offset the recognized amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

The financial statements are presented in Indian Rupees (₹₹), which is also its functional currency and all values are rounded to the nearest rupee in lakhs.

C. SIGNIFICANT AREAS OF ESTIMATION UNCERTAINTY, CRITICAL ASSUMPTIONS AND ASSUMPTIONS IN APPLYING ACCOUNTING POLICIES

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and income and expense for the period. Management believe that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

D. REVENUE RECOGNITION AND EXPENSES

Interest income: The Company recognizes interest income using effective interest rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and revenues attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts (through the expected life of the financial liabilities) from the liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability. Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognized in the contractual rate of interest.

Dividend Income: Dividend income on equity shares is recognized after the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Net gain or fair value changes: Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognizes gains/losses on fair value change of financial assets measured at FVTPL and real and gains/losses on derecognition of financial assets measured at FVTPL and FVOCI.

Recoveries of financial assets written off: The Company recognizes subsequent recoveries of financial assets written off on realization or when the right to realize the same without any uncertainties of recovery is established.

Taxes: Income tax expenses are recognized net of the Goods and Services Tax, whenever applicable. Expenses are recognized net of the Goods and Services Tax, except when a credit for the input tax is not statutorily permitted.

Other income: All other forms of income are accounted for on actual basis.

E. FINANCIAL INSTRUMENTS

I. Initial recognition and measurement:

Financial assets and financial liabilities are recognised when the Company becomes a party to the economic substance of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

II. Classification:

A. Financial assets:

A financial asset is classified as subsequently measured at either amortized cost or fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

depending on the contractual cash flow characteristics of the financial assets and the Company's business model for managing the financial assets.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial instruments at Amortised Cost

A financial asset is measured at amortised cost only if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets in order to collect contractual cash flows;
- The contractual terms of the financial asset represent systematic cash flows that are solely payments of principal and interest (SPPI test).

Financial assets at Fair Value through Other Comprehensive Income (FVOCI)

A financial asset is measured at FVOCI only if both of the following conditions are met:

- It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets;
- The contractual terms of the financial asset represent systematic cash flows that are solely payments of principal and interest (SPPI test);

Financial assets at Fair Value through Profit and Loss (FVTPL)

Any financial instrument which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL.

Equity Investments

All equity investments other than equity investments in subsidiaries / associates / joint ventures are measured at FVOCI. These include all equity investments in scope of Ind AS 109.

Financial Liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as other financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost or fair value through profit or loss, as appropriate.

Equity instruments

An equity instrument is any contract that gives the holder an interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

(ii) Subsequent measurement

Amortised cost

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the EIR method of discount or premium on acquisition and fees or costs that are an integral part of the EIR and, for financial assets, adjusted for any loss allowance.

Fair Valuation

Fair value is the price that is expected to be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date or, in the absence, the most advantageous market to which the Company has access at that date.

In the absence of quoted price in an active market, the Company uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

IV) De-recognition of financial assets and financial liabilities

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset, or has retained an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risk and reward of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the investment asset to the extent of the Company's continuing involvement. The Company continues to recognise the assets on finance on books which has been satisfied under pass-through arrangements and does not meet the de-recognition criteria.

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset de-recognised) and the sum of the consideration received (including the value of any new asset recognised and new liability assumed).

Financial liabilities

The Company de-recognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

V) Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet when the Company has a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to use the asset and settle the liability simultaneously.

VI) Impairment of Financial Assets

The Company recognises impairment allowances for Expected Credit Loss (ECL) on all the financial assets that are not measured at FVTPL.

ECL are probability-weighted estimates of future credit losses based on the staging of the financial asset to reflect its credit risk. They are measured as follows:

- Stage 1: Financial assets that are not credit impaired – as the present value of all cash shortfalls that are possible within 12 months after the reporting date;
- Stage 2: Financial assets with significant increase in credit risk but not credit impaired – as the present value of all cash shortfalls that result from all possible default events over the expected life of the financial asset;
- Stage 3: Financial assets that are credit impaired – as the difference between the gross carrying amount and the present value of estimated cash flows.

Financial assets are fully provided for or written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. However, financial assets that are written off could still be subject to enforcement activities under the Group's customers' contracts, taking into account legal advice where appropriate. Any recoveries made are recognised as income in profit or loss.

E. FINANCIAL INSTRUMENTS

Investment in subsidiaries, associates and joint ventures The Company accounts for its investments in subsidiaries, associates and joint ventures at cost less accumulated impairment, if any.

F. LEASES

Leases are recognised as finance leases wherever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Company as a lessor

Assets leased under finance leases are recognised as property, plant and equipment in the balance sheet for an amount that corresponds to the fair value and the present value of minimum lease payments determined at the inception of the lease and a liability is recognised for an equivalent amount. The minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the Statement of Profit and Loss.

Rentals payable under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease unless the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Company as a lessee

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessee under an operating lease, the asset is capitalised within property, plant and equipment and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the term of the lease.

G. TAXATION

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from "profit before tax" as reported in the Statement of Profit and Loss because of items of income

or expense that are taxable or deductible in other years and income that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the calculation of taxable profits. Deferred tax liabilities are recognized for taxable temporary differences. Deferred tax assets are recognized for a deductible temporary difference and an error no longer to the extent that it is probable that taxable profit will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow a larger part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year:

Current and deferred taxes are recognized in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income taxes are also recognized in other comprehensive income or directly in equity respectively.

2. PROPERTY, PLANT AND EQUIPMENT:

Property, Plant and Equipment ("PPF") is recognized at cost of acquisition. PPF not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress".

An item of property, plant and equipment is reengaged upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Transition to Ind AS:

The Company has elected to continue with the carrying value of all of its property, plant and equipment and investment property recognized as of 1 April 2008 (the transition date) measured as per the previous IASP and use such carrying value as its deemed cost as of the transition date.

3. INTANGIBLE ASSETS:

Intangible assets are initially measured on their recognition at cost of acquisition and are stated net of accumulated amortization and accumulated impairment losses. If an

The cost of an intangible asset includes purchase cost (net of rebates and discounts), including import duties and non-rebutable taxes, and any directly attributable costs on making the asset ready for its intended use.

E. IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS

At the end of each reporting period, the Company reviews the carrying amount of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimate of future cash flows have not been adjusted.

F. FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currency are translated into the functional currency of the Company at the exchange rates prevailing on the date of the transaction. The foreign currency borrowing being a monetary liability is restated to GBP being the functional currency of the Company at the prevailing rates of exchange at the end of every reporting period with the corresponding exchange gain/loss being recognised in profit or loss.

M. PROVISIONS AND CONTINGENCIES

Provisions: Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Provisions are determined based on best management estimates required to settle the obligation at balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the facility. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle, or a reliable estimate of the amount cannot be made.

Contingent assets: Contingent assets exist, a possible asset that arises from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, & not recognised but disclosed in the financial statements.

N. CASH AND CASH EQUIVALENT

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

O. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

P. EARNINGS PER SHARE

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of shares plus dilutive potential equity shares.

Q. ROUNDING OF AMOUNTS

All amounts disclosed in the financial statements and the accompanying notes have been rounded off to the nearest rupee as per the requirement of Schedule III of the Companies Act 2013, unless otherwise stated.
